

Completing the StarChart

Yes. It's that time of the year again. It's time to complete the Texas StarChart online survey. The survey has changed since last year. Please follow the instructions below and complete the survey. Remember, this survey is important because it is used to apply for grants and e-rate funding for our schools.

<p>To begin, go to the website, http://starchart.esc12.net/ and login. Remember, your username is generally your first and last names together with no spaces. For example, JohnDoe. Once you have entered the information, click on "Login".</p>	
<p>If you have forgotten your password, you can retrieve your password by entering your user ID in the "Forgot your Password?" section. Your password will be sent to you in you're my.episd email.</p>	
<p>Once you have logged on to the website, your will see a section with a begin button. Click on "Begin".</p>	
<p>The first thing you will notice is that the survey looks completely different than last year. Instead of drop-down menus, you have check boxes. There are also more questions on the survey (24). To complete the Starchart, you must check a box indicating your level of knowledge in each category. You will need to determine if you are an Early, Developing, Advanced, or Target Tech. This survey is based on your perception of your abilities.</p>	

<p>On every question, there is a "more..." link. This link will provide you with more information on the question. You can click on the "more..." link at any time.</p>	<div data-bbox="722 136 1442 247" style="border: 1px solid black; padding: 5px;"> <p>I occasionally use technology to supplement instruction, streamline management functions, and present teacher-centered lectures.</p> <p>My students use software for skill reinforcement.</p> <p>more...</p> </div>
<p>As you check each answer on your survey, the StarChart will automatically record your response and move to the next question. You can navigate back and forth in the survey by using the links in the right hand column of the page.</p>	<div data-bbox="945 310 1219 573" style="border: 1px solid black; padding: 5px;"> <p>Further Info</p> <p>TL-1 Developing</p> <p>TL-2 Early</p> <p>TL-3</p> <p>TL-4</p> <p>TL-5</p> <p>TL-6</p> <p>EP-1</p> <p>EP-2</p> </div>
<p>There are 4 sections to this survey. Each containing about 6 questions.</p>	<div data-bbox="902 604 1261 657" style="border: 1px solid black; padding: 5px; text-align: center;"> <p>TEACHING & LEARNING</p> </div> <div data-bbox="813 674 1354 726" style="border: 1px solid black; padding: 5px; text-align: center;"> <p>Educator Preparation and Development</p> </div> <div data-bbox="703 743 1464 795" style="border: 1px solid black; padding: 5px; text-align: center;"> <p>LEADERSHIP, ADMINISTRATION, AND INSTRUCTIONAL SUPPORT</p> </div> <div data-bbox="803 812 1362 865" style="border: 1px solid black; padding: 5px; text-align: center;"> <p>INFRASTRUCTURE FOR TECHNOLOGY</p> </div>
<p>Once you have completed the survey, you will be sent back to the home page. Remember, the StarChart program automatically submits your information. There is no "Submit" button. However, if you wish to change your responses, you can click on the "Update" button to make your changes.</p>	<div data-bbox="953 1020 1213 1073" style="border: 1px solid black; padding: 5px; text-align: center;"> <p>Update</p> </div>
<p>You can also print a copy of your survey by clicking on "Print Friendly Version". Once you click on this link, you can then use the "File" and "Print" command on the browser.</p>	<div data-bbox="898 1287 1268 1356" style="border: 1px solid black; padding: 5px;"> <p>Print Friendly Version</p> <p>Your Star Chart is complete.</p> </div>
